The Board may require a teacher to furnish a medical certificate from the school health officer or from a qualified physician as evidence of illness, indicating such absence was due to illness, in order to qualify for sick leave pay. In the event that a medical certificate will be required, the teacher will be so advised.

Sick leave pay shall be approved only upon the submission of a signed request upon the authorized sick leave pay request form available at the office.

However, the final determination as to the eligibility of a teacher for sick leave is reserved to the Board.

# APPENDIX G

## CO-CURRICULAR EXPLANATION

---

### **SECTION G.1 CREDIT FOR PRIOR EXPERIENCE**

Experience, whether within the district or outside the district, must be in a similar position. Experience will be counted at the rate of one year for every two years experience of a lesser position, if the coach is moving to the next highest group level in the same activity.

Experience outside the Shakopee school system shall be limited to five years and these five years of experience must have been obtained during an eight year period immediately preceding employment by this district. Additional experience credit may be granted at the discretion of the Board.

### **SECTION G.2 GROUP DESCRIPTIONS**

#### **GROUPS I & II**

The positions listed in Group I and II are those considered most demanding in both the time spent and the responsibility factors.

All positions in Groups I and II require administrative responsibilities in addition to the instructional function expected of each position. The Activity Director is responsible for the over-all coordination of the entire co-curricular program and he/she will be expected to accept or delegate responsibility for the administrative duties necessary for the proper functioning of the program.

Head athletic coaches will be responsible for a total program of development in grades 7-12. This will include the supervision of all assistant coaches and the development and administration of a planned program for the activity they are responsible for.

Head coaches, advisors, and directors placed in Groups I and II will be expected to devote more non-school time to their activities (e.g. pre-school year practices and/or practices/games during various school breaks).

#### **GROUP III**

The advisor or directors in Group III will have the same responsibilities as those in Groups I and II. It is expected that their respective assignments will be shorter and the advising or directing time involved will be less.

The primary responsibility of the assistant athletic coaches will be that of instruction. They will be concerned only with the grade level they are assigned to and will be responsible to the head coach of their program and will accept all duties as assigned by him/her.

The head ninth grade coaches will have some additional administrative duties.

#### **GROUP III B**

The coaches in Group III B will have the same core responsibilities as those in Group III, however, they will have less administrative responsibilities.

The primary responsibility of the assistant ninth grade coaches will be that of instruction. They will be concerned only with the grade level they are assigned to, will be responsible to both the head varsity and ninth grade coaches of their program, and will accept all duties as assigned by either coach.

#### **GROUPS IV & V**

The responsibilities of those directing activities listed in Group IV and V will include little in the way of administrative duties. In each instance they will be responsible only for instruction in their assigned grade level or levels and will not be required to supervise assistants.

It is expected that they will spend less time in the execution of their duties, or will have fewer students to work with, or will have less community visibility than those included in the preceding Groups.

Athletic coaches in this group will be responsible to the head coach of their program and will accept all duties as assigned by him/her.

**GROUP VI**

The athletic coaches within this group will have a season approximately one half the length of high school coaches. Their primary responsibility will be that of instruction. They will be concerned only with the grade level they are assigned to.

Athletic coaches in this group will be responsible to the head coach and will accept all duties as assigned by him/her.

Advisors and directors within this group will have shorter assignments than those in preceding Groups.

**GROUPS VII & VIII**

The coaches, advisors, or directors in Groups VII and VIII oversee junior high and senior high activities which meet either less frequently or for a shorter period of time than those in preceding Groups. They will have fewer students to work with and will have less community visibility than the coaches, advisors, or directors of other school activities.

**GROUP IX**

Activities in this group include intramural activities at the Junior High level. The coaches will spend the least amount of time in instruction and will not be required to travel for competition with opposing schools.

The coaches, advisors, or directors in Group IX oversee junior high activities which meet either less frequently or for a shorter period of time than those in preceding Groups. They will have fewer students to work with and will have less community visibility than the coaches, advisors, or directors of other school activities.

**GROUP X**

Activities placed in Group X are those activities which are expected to place the smallest demands on the coach, advisor, or director with respect to time requirements, number of students involved, or community visibility.
